**PROJECTS & TRAININGS:**

- **Project made:**  
**Mini-Project-An Event or Conference Webpage at Chitkara University (October 2020)**  
A project in HTML was made using CSS and JavaScript where Event is a contemporary, one-page, responsive HTML template design ideal for any event, conference, meet up, summit, camp and many more. With Event, your next conference website could be world-class. It's designed to provide useful information about your event. You can make a static page holding an event or conference.

**Technologies used:**

Front End: HTML, CSS and JavaScript
